Конфигуриране на Navigation Menu

- Edit Application Properties → User Interface → Navigation Menu

The screenshot shows a configuration panel for the Navigation Menu. It includes a toggle for 'Display Navigation', a dropdown for 'Navigation Menu List', buttons for 'Position' (Top and Side), a dropdown for 'List Template', and a section for 'Template Options' with checkboxes for 'Use Template Defaults', 'Add Actions', and 'Collapsed by Default (Default)'. There are also dropdowns for 'Collapse Mode' and 'Style'.
